A screenshot of the WordPress welcome screen. At the top, there's a dark blue header bar containing the WordPress logo (a white 'W' in a circle) on the left, followed by a blue square with a white plus sign, and then three icons: a pencil, a left-pointing arrow, and a right-pointing arrow. Below the header, the main content area features a large, light blue, stylized graphic of a coffee cup. The cup is filled with dark liquid and has a white rim. The background of the cup graphic is a light, textured blue. Below the cup graphic, the text "Welcome to WordPress!" is displayed in a large, bold, dark blue font. Underneath this, a paragraph of text reads: "Take this short, interactive tour to learn the fundamentals of the WordPress editor." At the bottom of the screen, there's a horizontal row of ten small circles, with the first one on the left being filled with dark blue and the others being empty. To the right of these circles, the word "Skip" is written in a dark blue font. Further to the right, there's a prominent blue rectangular button with the text "Take the tour" in white.
